Dear Neighbour,

RE: 161-169 ESSEX ROAD (THE FORMER CARLTON CINEMA)

I am writing to invite you to a public exhibition on the proposals for the conversion and extension of the former Carlton Cinema site, which have recently been submitted to the London Borough of Islington. The exhibition is an opportunity for the local community to view our proposals and to provide us with their feedback.

The exhibition will take place on site at the former Carlton Cinema over two days on:

- Friday 11th September from 3.30pm - 7pm
- Saturday 12th September from 10.30am - 1pm

Our intention is to refurbish and extend this fantastic building so that its long-term future is safeguarded.

The proposals would seek to maximise the site's potential by providing a mix of uses including a new cinema theatre, a place of worship, space for hospitality events and educational and training lectures for the local community.

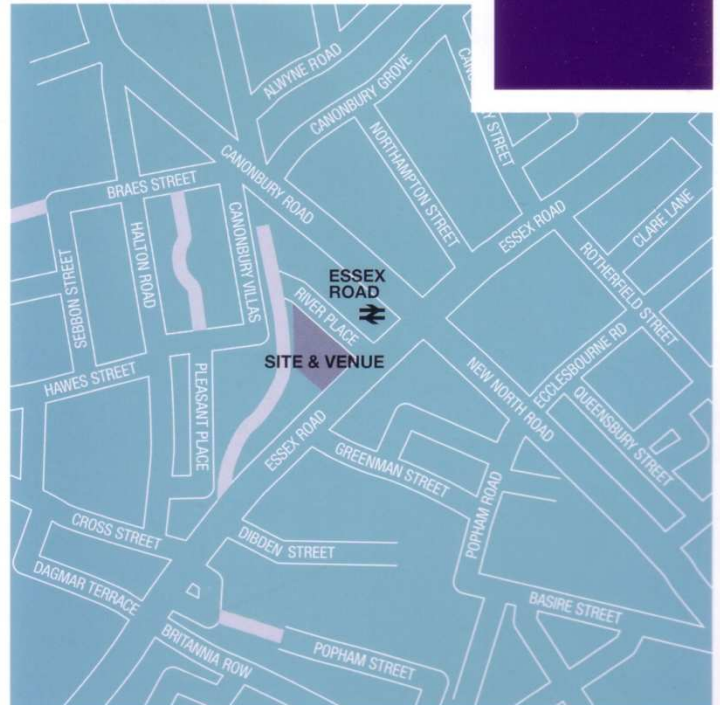

To enable this refurbishment and extension to happen, we are also proposing to provide residential accommodation to the rear of the site.

At the exhibition, members of the project team will be present to talk you through the proposals and to answer any questions you may have relating to the site. Please come along to view our plans and to give us your views.

Kind Regards

Aaron Armah
